

SCHEDULE 05T – REGULATIONS FOR RALLY DOG

(Effective 01.09.2023)

RALLY DOG IN SUMMARY

Rally Dog (hereinafter referred to as “Rally”) is a branch of Dogsport based on Obedience. Instead of requiring the Judge to provide a heel pattern (for example), Rally competitors proceed around a course with designated stations, the dog in heel position. At each station, an exercise is performed, and the dog and handler are marked on their ability to execute the commands at the stations correctly, as well as on the connection between dog and handler between and at the stations.

A key object of Rally is for the dog and handler to have fun while working as a team.

Rally can be an Individual or Team sport. Currently, the focus in South Africa is on Individual participation.

1. LICENSING AND SHOW REGULATIONS

The Regulations and other matters governing Championship Shows are set out in Schedule 3 of the KUSA Constitution. These Regulations apply to Rally insofar as they are relevant and not in conflict with the terms of this Schedule 05T.

2. SCOPE OF LICENCE

2.1. A Club that is qualified to hold a Championship Show may hold a Championship and/or a Non-championship Show under appropriate Show licences.

2.2. A Club that is not qualified to hold a Championship Show may hold a Non-championship Show under a relevant show licence.

3. RALLY CERTIFICATES

3.1. When a dog reaches the Master Class and achieves a qualification at a Championship Show, it will be awarded with a Qualifying Certificate. When three (3) Qualifying Certificates have been earned under three (3) different Judges, the dog will qualify for Champion status and be issued with a KUSA certificate to confirm such status.

3.2. Once a dog is a Rally Champion, it will progress to the Grand Master Class. A dog awarded fifteen (15) Qualifying Certificates at Championship Shows, evenly issued by a minimum of three (3) different Judges in the Grand Master Class, will qualify for Grand Champion status and be issued with a KUSA certificate to confirm such status.

- 3.3. The required percentage to qualify in the Fun, Novice, Advanced and Excellent classes is 90% (ninety percent), whereas the percentage to qualify in the Master and Grand Master classes is 95% (ninety-five percent).

4. REGISTRATION AND ELIGIBILITY OF DOGS FOR COMPETITION

- 4.1. A dog must be a minimum of six (6) months of age to enter the Fun Class.
- 4.2. A dog that is 12 (twelve) months and older may compete in the Novice to Grand Master Classes and is eligible to become a Champion or Grand Champion.
- 4.3. The dog shall be registered with the Kennel Union of Southern Africa (KUSA) in the Breed Register, Canine Dogsport Record, or Appendix Register.
- 4.4. Any dog that satisfies the Regulations of the Schedule may compete in Rally, provided it had not been disqualified or suspended from competition by KUSA.
- 4.5. A dog may compete in Rally, provided it has been issued with a Rally Dog Record Card. Such Record Card can be obtained from a Provincial Council Rally Dog Sub-Committee, from the Provincial Council itself, or from the KUSA office. The issuing authority will advise the handler what information and documentation is required for the issuing of the Rally Dog Record Card.
- 4.6. Should handlers who have not acquired a Rally Dog Record Card wish to enter the Fun Class, they may do so "Not For Competition" ("NFC"). A dog entered NFC is not eligible for a placing, or to receive a qualification. Entering a dog NFC may not occur more than three (3) times. A Provincial Council Rally Dog Sub-Committee is entitled to request a handler to refrain from entering further competitions if no attempt is made to obtain a Rally Dog Record Card.
- 4.7. A dog, having become eligible to compete in a class, may continue to compete in that class until it is suspended or disqualified from competition, or until it has qualified out of that class.
- 4.8. A dog entered in any Show may not be entered in more than one Rally class at the same Show.
- 4.9. It is permissible for a dog to take part in a higher class than the class entered in advance of a Show, provided that the dog has qualified out of the lower class prior to the Show. The handler is to present the dog's Rally Dog Record Card to the Judge prior to the commencement of the draw.
- 4.10. Dogs that are ill or injured, or visibly lame, are not permitted to compete in Rally events. A dog that has an injury which affects its mobility, must present a letter from a registered vet or physiotherapist, issued within six (6) months prior to the Show, stating their diagnosis and confirming that the dog is not in pain and that, despite the injury, is fit to compete in Rally. Notwithstanding the presentation of the said letter, the Judge retains the discretionary powers to bar the dog from competition if, in the Judge's opinion, the dog is unfit to compete.
- 4.11. Bitches in season are not permitted to enter Rally classes.
